Sustainable Agriculture and Rural Development (SARD) Internship Application - Summer 2021

- 4) What applicable skills do you have?

- 5) What particular agriculture/farming skills would you like to learn?

- 6) Are you accustomed to hard physical work? How would you evaluate your physical condition, including health related problems or pre-existing conditions?

- 7) When are you available to intern? Please provide exact dates (6-week minimum requirement).

- 8) LCLT will assist you in finding a place to live during the internship. Accommodations may be rustic. Have you ever lived without amenities? Do you have specific concerns or needs related to housing?

- 11) LCLT offers a very modest stipend with this internship. It will probably not be enough to cover all of your expenses. How do you plan to take care of yourself financially?
